

Welcome to
Carrcroft Elementary
PTA!

The Parent Teacher Association (PTA), with your support, is committed to working with teachers to promote the success and wellbeing of our children. Our mission is to create a school community where teachers and students can do their best work in a kind, supportive, caring atmosphere that makes school fun! Providing resources and activities, such as: Fall Festival, Swap Shop, Field Day, Family Fun Nights, the school store, \$5 for book fair, and much, much more!

We want the PTA to be fun and foster parent involvement, because studies show that building parent involvement in education is the number one thing we can do to create a great school and improve student performance. Please see below if there are ways in which you can join us in supporting our children and our school!

Membership Dues:
\$10 per family _____

Please include cash or check payable to
"Carrcroft PTA"

Name(s): _____

Email: _____

Phone: _____

Student(s) Name & Grade (teacher if known):

Returning PTA member
